

Sewer Grant Program:

The sewer grant program is a program where the city has set aside funds to assist property owners in removing clean water connections from the sanitary sewer system. Grants are available for one-half of the construction cost, the minimum cost for consideration of the grant is \$250, a maximum of \$1,500 will be the City's share of any project considered for a grant. See City Ordinance No. 16-25. There is an application to fill out and a non-refundable application fee.

Contact 419-448-5440 for more information.
